Procurement Project – Tank Cleaning of 1 Million Gallon Water Reservoir
GA-BAC-2023-IP-38C-2R

19 September 2023

This is to inform all prospective bidders of the following changes, modifications, amendments, clarification, or additional requirements that form part of the Bidding Documents for the Procurement Project – Tank Cleaning of 1 Million Gallon Water Reservoir, to wit;

I. CLARIFICATIONS

PARTICULAR	CLARIFICATION
Site Inspection – <i>The conduct of site inspection of the contractors who have already inspected during the first bidding.</i>	The contractor is no longer required to inspect if they have already inspected the site during the first bidding. The GA will issue a new Certificate of Site inspection reflecting the new project number (for the re-bidding).
Major equipment requirements	For rented equipment, the bidder must submit a proof of rental, i.e. copy of Leasing Agreement during bid opening.
Use of GA Electricity and Water Supply during project implementation	The contractor will be required to install a sub meter. The use of GA electricity and water supply will be billed separately from the payment of the contract at the end of project.

II. MODIFICATIONS ON THE BIDDING DOCUMENTS

Reference	From	To
Section V. Special Conditions of the Contract GCC 15.2	"As Built" drawings shall be submitted in two (2) formats for each lot: three (3) original hard copies (A1 size paper) and one (1) electronic copy compatible to AutoCAD 2010 in CD . The date by which "as built" drawings are required is <i>upon completion of the project, subject to verification by the Procuring Entity</i>	"As Built" drawings shall be submitted in two (2) formats for each lot: three (3) original hard copies (A1 size paper) and one (1) electronic copy compatible to AutoCAD 2010 in CD or USB flash drive . The date by which "as built" drawings are required is <i>upon completion of the project, subject to verification by the Procuring Entity</i>

Please be guided accordingly.
